love comfort, trust quality

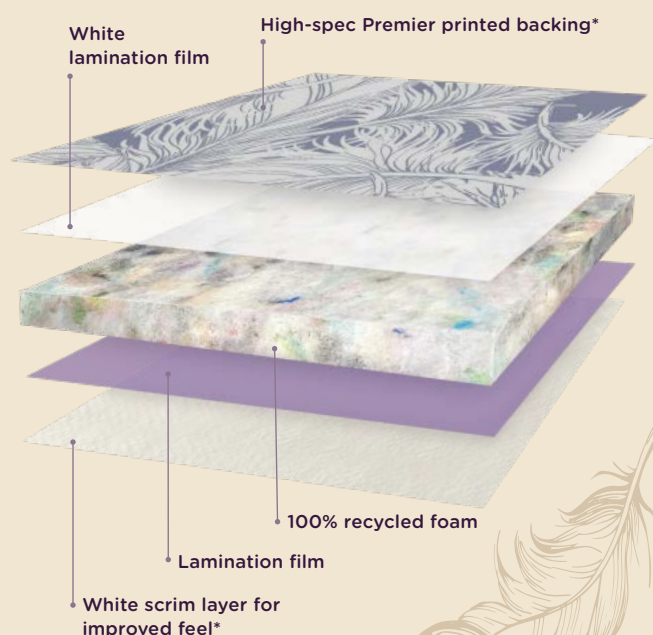

Premium **carpet underlay**... ...with a difference you can **feel**

The Tredaire Premier range brings together our finest luxury PU foam underlays.

Quality is everything and our Premier collection has been restyled and updated for improved customer appeal.

The new and improved design of Tredaire Premier underlays are made using a high-spec paper backing, branded in its eye-catching signature style and a scrim layer for improved dimensional stability.*

100% recycled foam completes the package providing a sumptuous and tactile appeal like no other.
